

**ADDENDUM NUMBER TWO**  
**RFP SJPC 24-07**  
**D BUILDING SUBSTATION 480 VOLT SWITCHGEAR**  
**BROADWAY MARINE TERMINAL**  
**August 7, 2024**

**Answers to Questions**

Q5) The answer to question 5 names Rockwell Automation as the MCC basis of design. However, Rockwell has no knowledge of this project, and they will need at least a week to put a quote together, so we're requesting an extension to the bid to accommodate Rockwell's review.

A5) The Rockwell Automation Project ID Number is 5327085/1.
