**ANSWERS TO FORMALLY SUBMITTED QUESTIONS**

---

**Question 1. Can we get the drawings in the correct scale?**

**Answer 1. When the PDF of the bid documents was created, it shrank the drawings down to 8.5 x 11 inches, which is not the correct scale.**

**The attached drawings are to scale when viewed in a PDF program such as Adobe or Bluebeam, or when printed at a 30 x 42-inch drawing format.**
